MEET OUR CAMPUS DIRECTORS

MEET THE DIRECTOR AT BOISE **PATTY CORL**

"Hello! My name is Patty and I oversee admissions at the Boise campus of Aveda Institute Idaho. I've been in the beauty industry for over 35 years, and I absolutely love it! The best part of my job as director of the Boise campus is helping future students feel strong, confident, and highly-educated. I can't wait to help you tackle your future career head-on!"

MEET THE DIRECTOR AT TWIN FALLS
TINA LANGDON

"Hi! My name is Tina and I'm the director at the Twin Falls campus of Aveda Institute Idaho. I worked in the finance industry for 12 years before changing to cosmetology, and I couldn't be happier. I have a lot of experience working through things like the financial aid process, so I'm most excited to meet you in person and help you get started!"

SEE WHERE THE MAGIC HAPPENS

BEAUTIFUL WORK COMES FROM BEAUTIFUL PLACES.

We want our students to have an environment that fosters creativity and beauty.

If students feel they are in a place that inspires creativity, individuality, and wellness, they can pass those traits on to their clients. Whether it's the student salon floor or the classroom where students learn, the cleanliness and beauty of our school is a critical element of helping students find their talent and their voice.

SEEING IS BELIEVING

That's especially true in the world of cosmetology. When someone reaches out to us to learn more about [our programs](#), the first thing we do is invite them to come and tour the campus for themselves. It's not always possible to put into words and pictures what it feels like to be at Aveda Institute Idaho in Boise and Twin Falls.

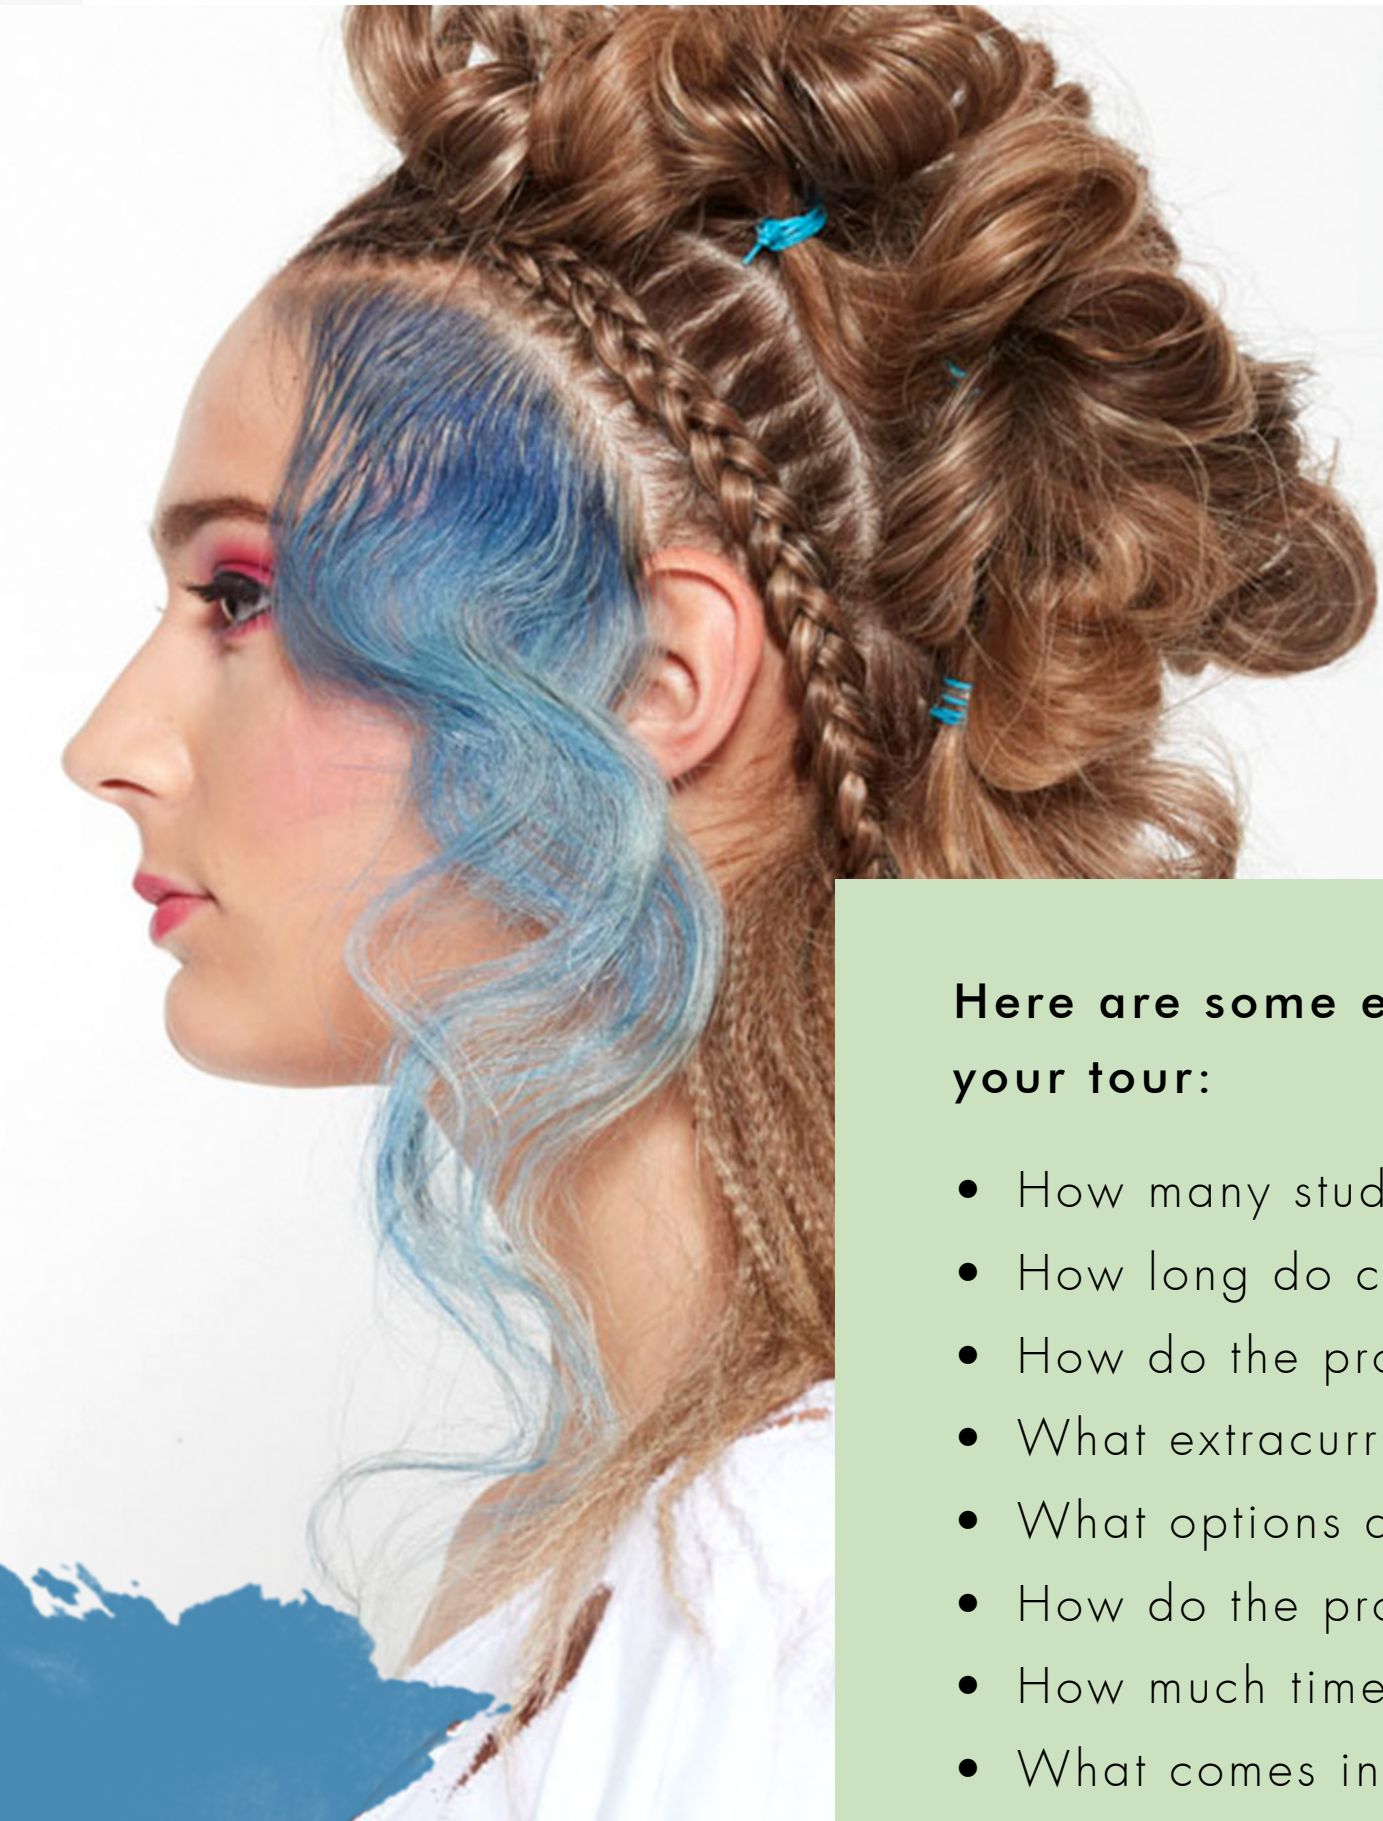

Visiting a school for the first time might be intimidating, which is why we want to help you feel comfortable and enthusiastic about being here. The tour is your opportunity to experience - for yourself - what it can be like to be a beauty student with us, and it's also your chance to learn all about our schools.

Your tour of Aveda Institute Idaho is the perfect time for you to ask any of the questions you might have about our programs and facilities, at either of our campuses in Boise or Twin Falls.

You can ask about what you can learn, you can ask about facility features and amenities, and you can ask about funding opportunities, including [financial aid*](#). We've heard them all, so don't be afraid to ask what is on your mind!

THE AVEDA INSTITUTE IDAHO SPIRIT

THE AVEDA INSTITUTE IDAHO WAS FOUNDED ON A PASSION FOR SCIENCE AND INDIVIDUAL EXPRESSION.

REN SHAW AND NATE SHAW ARE BROTHERS AND THE CO-OWNERS OF THE AVEDA INSTITUTES IN BOISE AND TWIN FALLS.

They are the spirit and passion behind the school. As successful salon owners, Ren and Nate strive to bring new trends, treatments, and techniques to the classroom to help students be as prepared as possible for the salon floor.

That spirit of creativity and individual expression is a fundamental part of what makes the experience at the school so special.

We want our students to find themselves and their voice as they become talented beauty professionals.

A hand with a ring and brown nail polish holds a light green Aveda Abundance hair spray bottle. The bottle has text: 'abundance.', 'MURIZING HAIR SPRAY', 'LAQUE CAPILLAIRE VOLUMISANTE', a leaf logo, 'we live hold for all hair types', 'nous nous ferons pour tous les types de cheveux', and '3.2 fl oz/100 ml e'. To the right, the back of a person's head with blonde hair is visible. The background is light grey with green brushstrokes.
